POSTED ON 19 JULY 2023 BY CHAI CANCER CARE

On Sunday 9th July, the Kinloss Banqueting Suite was buzzing with vibrant art as more than 500 people attended the first Kinloss Art Fair since before Covid.

The event, hosted by Art Committee members, Yvette Kamlish, Cordia Ezekiel, May Sinclair, Susana Ross Cohen, Fortune Maltz, Lisa Harrison, Nicole Greenwold and Keith Graham and Jonny Deal, raised more than £4,000 for Chai's vital services.

Following the event, the Art Committee said: "Every year we select a different charity and we chose to support Chai this year as so many of us have had close family and friends affected by cancer. We are very proud of all the support and services that Chai provides to the community."
